# ***Introduction***

***Welcome to BWL Packaging 2000 Ltd.***

***BWL Packaging was formed 20 years ago under the name of Brian Warren Ltd, and was purchased by the present owners Byron and Colleen Hodson 7 years ago. Since that time the range and quality of products has increased to include brochure and menu stands for display of printing material. Also available is a full range of business card boxes, card stands, CD calendar cases and A4 plastic letter head trays.***

***In our latest endeavours to supply the printing industry with quality and value, we have introduced our own BWL branded cartons direct from the manufactures. This allows a reduction of up to 30% in white corrugated cartons. Also available are cartons designed to hold 4 or 8 of the well known business card carriers.***

***We trust this catalogue will give you an overview of products and prices offered by BWL Packaging.***
